Ser 414200B120-20708-1

**JUN 25 2003**

From: Team Leader, Systems Standardization Department, Naval Air Warfare Center Aircraft Division (Code 414200B120-3), Highway 547, Lakehurst, NJ 08733-5100

Subj: PROPOSED CANCELLATION OF MIL-S-20708/25, /39, /68, /139 (PROJECT NUMBERS 5990-0460, 5990-0461, 5990-0463, 5990-466)

Encl: (1) Procurement information

1. The Naval Air Systems Command no longer has an interest in the subject documents. If essential comments are received against the cancellation, we propose to do one of the following:

a. Transfer the preparing activity responsibility to NAVSEA.

b. Convert the documents to SAE aerospace standards on a word for word basis with no changes in technical requirements.

2. Enclosure (1) contains the procurement information for the subject documents.

3. For your information, cancellation notices for these documents have been prepared and are posted on the web at <http://www.lakehurst.navy.mil/ssd>.

4. Your comments or concurrence with this proposal are requested within 60 days of the date of this letter. Military activities should indicate custodian, review, or no interest, and designate any comments as "essential" or "suggested". Comments that are unidentified or not supported with justification, will be considered as suggested. Failure to respond will be considered as concurrence with the proposed cancellation of the documents.

5. Replies should be forwarded by e-mail to [Harry.Treacy@navy.mil](mailto:Harry.Treacy@navy.mil) or by facsimile to (732) 323-7228 or mailed to Commander, Naval Air Warfare Center Aircraft Division (Code 4141B120-3), Attn: Harry Treacy, Highway 547, Lakehurst, NJ 08733-5100.

6. After cancellation of military documents has been completed, the Naval Air Systems Command will continue to implement the qualification requirements in the specification until the Society of Automotive Engineers has established an acceptable qualification process. In the interim, the current Qualified Products List, QPL-20708, will be updated and published as QPL-AS20708.
